Y = YES

***Although this item does not contain gluten ingredients, it is cooked in a shared fryer used exclusively for vegetarian and vegan items, some of which contain gluten.**

BE MINDFUL OF YOUR ALLERGIES. We make our best effort to identify any common food allergies in our food. Our team has been instructed on the severity of food allergies and will make their best effort to avoid any allergic reactions our guests may have. Note that many common food allergies are present within this restaurant, and cross-contamination may take place. All guests with food allergies need to be aware of these risks. Mr. Kabob Xpress cannot be held liable for any allergic reactions our guests may have when coming into contact with any of our food. Please notify our team of any allergies you may have.
